"

I am a highly skilled Full Stack Mobile App developer with expertise in Flutter and Node.js. With 1.5 years of hands-on experience in Flutter development, I have successfully delivered exceptional mobile applications. Additionally, I possess 6 months of extensive experience in developing Restful APIs using Node.js. My proficiency in these technologies allows me to create robust and efficient solutions for clients.

Experience

Key Devs 2022 - 2023
Flutter Developer

During my tenure at "Key Devs" as a Flutter Developer, I successfully completed two projects while demonstrating exceptional proficiency in my role. Throughout my time working, I consistently delivered high-quality work, meeting all project deadlines and exceeding client expectations.

AKODES IT Solutions 2023 ---
Flutter Developer

During my tenure at AKODES IT SOLUTIONS as a Flutter Developer, I successfully completed two projects and am currently engaged in multiple ongoing projects. Throughout my work, I consistently demonstrated a strong commitment to delivering high-quality results and meeting project deadlines.

Education

2019 - 2023
MNSUET
Bachelor CS

I have successfully completed my Bachelor's degree in Computer Science from MNSUET, achieving a remarkable CGPA of 3.56.

2017 - 2019
MGSC
FSC (Pre Eng.)

I completed my 12th grade from MGSC, specializing in FSC Pre-Engineering. I successfully obtained my 12th-grade certification from MGSC, majoring in FSC Pre-Engineering.
